FEATURES AND SPECIFICATIONS

>>> RENEGADE **TOP 10** CONSTRUCTION FEATURES

1 ALUMINUM FRAME = FUEL SAVINGS AND INCREASED PAYLOAD CAPACITY
Our aluminum frames weigh considerably less than similar sized steel frames. This results in potentially better fuel mileage and greater payload capacity.

2 4" TOP TRIM WITH BUILT IN DRIP RAIL
Standard on ALL Rance Renegade models, it helps redirect water away from the sides of the trailer to reduce streaks on exterior metal.

3 THREE DIODE LED EXTERIOR LIGHTS
Standard on ALL Rance Renegade models, LED lights draw less power from your vehicle's battery, have longer life expectancy, and shine much brighter!

4 ONE-PIECE ALUMINUM ROOF
Our standard one-piece aluminum roof is wrapped completely over the edge to provide superior leak protection.

5 ALUMINUM BAR LOCKS
Aluminum bar locks are standard on ALL Rance Renegade models and come standard with grease points to increase ease of use and longevity.

6 NITROGEN-FILLED TIRES AND ROADSIDE ASSISTANCE
Nitrogen-filled tires run cooler leading to increased tire life. Roadside Assistance is included on all Rance models, giving you peace-of-mind for the road ahead.

7 RAMP DOOR BULB SEAL TRIM
Our rubber, automotive style bulb seal is integrated directly into the aluminum trim offering better protection and longer life than industry standard foam tape.

8 LIPPERT AXLES
Lippert has been a top manufacturer of axles in the towable market for many years, and through their vast array of axle options and top-notch customer service, Rance is excited to offer them on our trailers.

9 ALUMINUM RIMS WITH RADIAL TIRES
Standard on ALL Rance Renegade models, radial tires reduce road noise and improve heat dissipation resulting in extended tread life.

10 SUPERIOR CRAFTSMANSHIP
Rance Aluminum ONLY builds aluminum-framed trailers. We use quality components and a workforce with over 25 years of aluminum manufacturing experience to build great, quality trailers!

>>> RANCE ALUMINUM TRAILERS ROUGH RIDER OPEN TRAILERS

IF YOU'RE LOOKING FOR AN OPEN BED CAR HAULER OR UTILITY TRAILER...WE'VE GOT YOU COVERED

ROUGH RIDER OPEN UTILITY TRAILERS

From garden tractors and ATVs to motorcycles and UTVs, the Rough Rider Utility Trailer will provide you with the versatility you demand. Constructed with an aluminum tube frame and side rails and featuring standard 3/4" treated deck boards, 5,000 lb. D-rings, LED lighting and 3,500 lb. spring axles, the Rough Rider also has a wide variety of available options.
